

## **ABOUT STEVE-O**

Steve-O (a.k.a. Stephen Glover) was willing to do whatever it took to become famous, even if it meant stapling his ball sack to his leg.

After failing miserably at the University of Miami, Steve-O was a homeless couch-surfer for three years before he attended Ringling Brothers and Barnum & Bailey Clown College, to help further his goal of becoming a famous stuntman.

His relentless attention-whoring ultimately led to working with Johnny Knoxville on a stunt-based reality show. The rest is history. MTV aired the first season of JACKASS in 2000.

Since then, Steve-O has had continued success, as a New York Times best-selling author with the release of his memoir, 'Professional Idiot', and he has established himself as a force in the world of stand-up comedy. He's thrilled to be releasing his new, profoundly multimedia, and wildly explicit comedy special, direct to his fans at [steveo.com](http://steveo.com). It's called "Gnarly", for good reason.

Across his social media platforms, Steve-O has amassed well over 24 million followers and counting, providing an intimate window into his continued antics and colorful life with his fiancée, Lux. He's also got a weekly podcast called Steve-O's Wild Ride! with amazing guests which have included Demi Lovato, Shaquille O'Neal, Ronda Rousey, David Dobrik, Tony Hawk, and more.

Steve-O has never stopped being wild and crazy, but he's definitely evolved. He's been clean and sober for over twelve years now, and developed a genuine love for animals (including the four dogs, two cats, and three goats he and Lux have rescued). Steve-O and Lux have plans to start their own animal sanctuary.
